Jismoan Jacob

Strategic Head - BD

Highly motivated and results-oriented professional with a proven track record of prioritizing workloads under pressure and driving team leadership to make a significant contribution to the organization's efficiency. Possessing exceptional problem-solving abilities and a strategic mindset, I excel in driving investment strategies and cost optimization to achieve and surpass P&L goals. With a strong focus on market analysis and sales initiatives, I have successfully grown revenue by securing multiple product design wins and capturing competitor market share. My experience in a multinational/multicultural environment has nurtured my adaptability and global perspective, enabling me to understand and meet diverse customer needs across various product types, markets, and geographic locations.

Experience

2015 - 2023

Leviton ME - Dubai, UAE

Shouldered Responsibilities :

- Spearheaded the sales team's efforts and strategically managed the Middle East and Africa countries, successfully achieving and exceeding annual sales targets.
- Developed and executed highly effective investment strategies to maximize revenue growth and market penetration while optimizing costs to achieve and surpass P&L goals.
- Conducted comprehensive competitive market analysis to identify key competitors' strengths and weaknesses, enabling the development of targeted sales initiatives and securing multiple product design wins.
- Led and mentored a team of 8 Junior and Senior Sales Managers, ensuring their success and optimizing territory management efficiency.
- Collaborated with Senior Management in ME/US/UK to develop annual budgets and strategic plans.
- Fostered strong business relationships with key end-users and consultants, including NVIDIA India, JP Morgan India, DP World, AD Police, Dubai Parks Resort, Emaar, Meraas, Hilton Hotels, DWTC, Meydan, CICPA, MOI, Dewa MORO, KOC, IHCC SGH, Saudi Aramco, Nahdi Medical Group, Nakheel, Emirates Airlines, FAB bank, ENBD bank, Al Fardaan RE, and others.
- Coordinated with marketing to identify suitable resellers/Distributors for channel programs.
- Recognized with sales achievement awards for outstanding performance in 2015, 2016, 2018, and 2021.

2006 - 2015

Molex ME - Dubai, UAE

Shouldered Responsibilities :

- Joined as Channel Manager and, in 2010, transitioned to Business Development, overseeing key accounts and driving business growth in the GCC and NE Africa countries.
- Successfully built the business from the ground up, exceeding sales targets consistently and establishing a profitable and well-structured business unit.
- Played a pivotal role in onboarding and training channel partners, attaining the status of "Authorized Installer Trainer" for Molex Premise Networks Structured Cabling Systems.
- Collaborated with marketing to identify and promote relevant products in the assigned territory.
- Maintained strong liaisons with consultants and end-users, resulting in a high demand for products.
- Provided valuable feedback on product costing to align with market competition and optimize pricing strategies.

2005 - 2006

Rosenberger - Delhi, India

Shouldered Responsibilities :

- Managed assigned territories, including the Middle East, India, and Africa, successfully achieving consistent revenue streams for LAN/WAN Networking systems and Structured Cabling Systems.
- Fostered strong customer relationships and effectively communicated with channel partners and management to drive sales.
- Regularly reported on mapping, red flags, sales pipeline, and other key performance indicators to senior management and board of directors.

2001 - 2005

Online Distribution - Wesco - Dubai, UAE

Shouldered Responsibilities :

- Managed channel sales and accounts across Bahrain, Kuwait, Qatar, Oman, Yemen, and Saudi Arabia for Network Cabling Business Unit.
- - Consistently achieved and exceeded sales targets with various represented brands, leading to continuous revenue growth.
- - Detailed, designed, and coordinated project requirements to ensure comprehensive job orders and successful project execution.

1998 - 2001

BMTC - Bahri & Mazroei, Dubai, UAE

Shouldered Responsibilities :

- Played a vital role in the sales and technical aspects of networking and communication products, including MOLEX, HUBBELL PREMISE WIRING, 3COM, CISCO, DRAKA CABLES, MESC CABLES, and HIMEL CABINETS.
- Executed plans, mobilized resources, and actively participated in the development and submittal process for projects from the tender stage.
- Coordinated with clients, consultants, and MEP contractors to ensure smooth project execution

Skills / Expertise :

1. Sales Team Leadership & Management:

- Successfully led and motivated a diverse sales team of 8 Junior and Senior Sales Managers, providing guidance, coaching, and mentorship to optimize their performance and drive territory management efficiency.
- Demonstrated strong leadership skills in strategic decision-making, fostering a collaborative and results-driven work environment that contributed to the achievement of annual sales targets.

2. Strategic Planning & Competitive Market Analysis:

- Developed and executed highly effective investment strategies to maximize revenue growth and market penetration while optimizing costs to achieve and surpass P&L goals.
- Conducted comprehensive competitive market analysis to identify key competitors' strengths and weaknesses, enabling the development of targeted sales initiatives and securing multiple product design wins.

3. Business Development & Account Management:

- Successfully expanded business in GCC and NE Africa countries from inception, exceeding sales targets consistently and establishing a profitable and well-structured business unit.
- Nurtured and maintained strong relationships with key end-users, including NVIDIA India, JP Morgan India, DP World, Dubai Parks Resort, Emaar, Meraas, Hilton Hotels, Meydan, Saudi Aramco, Emirates Airlines, FAB bank, ENBD bank, and many others.

4. Effective Communication & Presentation Skills:

- Demonstrated outstanding communication and presentation abilities, effectively conveying complex concepts and market overviews to clients, senior management, and the board of directors, building consensus, and gaining agreement.
- Presented regular reports and strategic plans to senior management, providing valuable insights into mapping, red flags, sales pipeline, and other key performance indicators.

5. Budgeting & P&L Management:

- Skillfully managed budgets and achieved P&L goals, maintaining stability in operating income and SGA expenses.
- Collaborated with Senior Management in ME/US/UK to develop annual budgets and strategic plans, ensuring alignment with the organization's overall objectives and goals.

6. Strong Customer Relationship Building:

- Cultivated and nurtured strong business relationships with major clients such as DP World, Dubai Parks Resort, Emaar, Meraas, Hilton Hotels, Meydan, Saudi Aramco, Emirates Airlines, FAB bank, ENBD bank, and others.
- Maintained open communication channels, ensuring customer satisfaction and loyalty, and leveraging these relationships to generate new opportunities and secure repeat business.

7. Market Research & New Business Opportunities:

- Conducted market research to identify new business opportunities within the region, resulting in the development of key partnerships and noteworthy business growth.
- Proactively identified market trends, customer demands, and emerging opportunities to stay ahead of the competition and drive market expansion.

8. Project Coordination & Execution:

- Expertly coordinated and executed projects, collaborating with clients, consultants, and MEP contractors to ensure successful and timely project delivery.
- Detailed, designed, and prepared project requirements to form comprehensive job orders, facilitating efficient project execution and meeting clients' specifications.

Career Objective:

Aspire to take on a challenging and progressive team leadership position in the ICT domain, leveraging my extensive experience and skills in Sales & Engineering associated activities. My ultimate goal is to make a positive contribution to the organization's growth and success while achieving its strategic objectives and goals.

Attn: HR / MD / CEO

Dear Sir/Madam,

I hope this message finds you well. My name is Jismoan Jacob, and I am delighted to connect with you to explore potential opportunities within your esteemed organization.

With over 25 years of experience in Dubai, UAE, and an extensive background in sales and business development, I have recently returned to India and am now based in Bangalore with my family. Throughout my career, I have honed my skills in pitching products with precision, leveraging businesses to new heights, and fostering strong relationships with clients and partners.

I firmly believe that successful sales are not just about numbers but are a result of the right mix of a dedicated team, a positive attitude, and a clear vision set by the corporate leadership. I am eager to contribute my expertise and interests to an established enterprise that shares my commitment to long-term success.
