PROFILE

Enthusiastic first-year BBA student in Mount Carmel College seeking an internship opportunity to gain practical exposure to the business world and on ground management working with teams. Looking to use my PR skills professionally and collaborate with team and manage the things out .

WORK EXPERIENCE

Event Management Operations Management

2025

- "I completed a course in Event Management and gained practical experience by helping organize and manage college events. I was involved in planning, coordinating with team members, managing event activities, and ensuring the smooth execution of events, which helped me develop strong teamwork, communication, and organizational skills."

Event Management Intern

[SHUBHARAMBH PRODUCTIONS] | May 2026 - June 2026

- Assisted in planning and executing corporate events for MNC clients in the logistics sector.
- Coordinated with vendors, clients, and internal teams to ensure seamless event execution.
- Managed on-site event operations, including guest coordination, registrations, and venue logistics.
- Supported website updates and content management for the company.
- Assisted with event scheduling, operational planning, and venue setup.
- Collaborated with cross-functional teams to ensure timely delivery of event activities
